

GIVING BACK

delivering houston

A Hot Shot Delivery truck pulled up to the Houston Humane Society carrying some precious cargo: nearly 500 pounds of goods from the organization's wish list, including dog food, cat food, kitty litter, leashes, towels and treats. Hot Shot Delivery also presented the Houston Humane Society with a check for \$500. The delivery was the culmination of "Delivering Houston," a month-long campaign to raise awareness about local charities.
